# TESTIMONIAL

TRISH & DAVID COOPER

We recently held our wedding in the Top of the City, at Carrow Road.

We want to express our thanks to everyone at the club for making our day so special. There are a number of points we would like to highlight.

1. From the moment we initially contacted the club, the service has been responsive, informative and very helpful. Our main point of contact was efficient, very quick to reply to our queries and all in such a pleasant manner.
2. On the day of our wedding, the room was perfect, the staff were 'on the ball' with all the arrangements and we were totally confident everything would run like clockwork.
3. When we said we were getting married at the football club, some people laughed. I think our guests' expectations were low. Your staff were amazing. Lots of our guests commented on how friendly, helpful and professional all the staff were. Nothing was too much trouble and they seemed to genuinely enjoy their work. The staff did a marvellous job of making sure we were happy with everything.
4. Another surprise for our guests was the quality of the food. They all said how good it was, plentiful and attractively presented – not the usual dull wedding food – was a regular comment.
5. The digi board was greatly appreciated. We made up our words, sent them in, we were asked to approve the design and when they appeared, everyone rushed to the window to take photographs. Lots of fun for us.

As season ticket holders, we were very proud of our club and Carrow Road staff. Our wedding was everything we could have hoped for and everyone had a great time.

With heartfelt thanks for creating such a memorable day for us, our family (especially our 9 grandchildren!) and our friends.

Can highly recommend the events team and venue at Carrow Road for your special day.

From our first visit to discuss and confirm the date, our food and wine tasting appointment and then our actual wedding day.

Everything was stress free and nothing was too much trouble.

The continued communication throughout was excellent.

The wedding service and reception was amazing and the whole team were so professional and friendly.

All our guests commented on what a fantastic day it was and a great venue, we all had a wonderful time.

Thank you to all for making our day such a memorable one.
