

HOW TO DOWNLOAD YOUR TICKET TO YOUR GOOGLE WALLET

Step 1

You'll need an Android device running **version 9.0** or higher to be able to use your device for Digital Ticketing. You can usually find this information by visiting the settings on your phone.

Step 2

Please check that you have **Google Wallet** installed on your phone. If not, you'll need to visit the Google Play store and download this. Please note you will also need to have a valid Google account.

Step 3

You should have received an email from **NCFCTicketoffice@canaries.co.uk**, which contains your digital ticket. Please open this and select **ADD TO GOOGLE WALLET**. Follow the on screen instructions to add this to your wallet.

Step 4

Please visit your wallet and **ensure you can see your digital ticket**, and that all details are correct. If not, please contact the ticket office.
